AFTER SCHOOL ENRICHMENT PROGRAM

The After School Enrichment Program offers a variety of classes and activities for Robinson students after the instructional school day. The goal is to provide our children the opportunity to supplement and enrich their current educational experiences in a familiar and safe environment. All classes are held on campus and are open to students in grades K-5 for a fall, winter, and spring session.

The fall schedule and enrollment information will be available online at mbxfoundation.org on September 6th.

Classes begin the week of September 26th.
