1. Parents are required to complete all WSB paperwork.
2. Parents are responsible for delivering their child(ren) to WSB leader.
3. Students must arrive on time at WSB stop locations. WSB will leave all stops on time and cannot wait. If students miss the WSB, parents are responsible for getting students to school.
4. Students will follow WSB safety rules:
 - a. All students will cross the street at the same time and stay within crosswalk lines.
 - b. Students are to stop one sidewalk block away from the street when getting ready to cross.
 - c. No running is permitted.
 - d. Students will be respectful of other students, WSB leaders, and the community.
 - e. If students do not follow WSB safety rules, WSB leader will give one verbal warning and if the behavior persists, it will be reported to the WSB coordinator. The WSB coordinator will decide consequence(s) i.e. contact parents, restrict and/or cease participation.
5. If a WSB route needs to be canceled for exceptional circumstance(s), the WSB coordinator will contact parents on that route.
