

What's the Latest... ...With the PTSA?

A Look Back at 2012/2013

This past school year has been an amazing one! Thanks to the joint efforts of the Manhattan Beach School District (MBUSD) and School Board, Manhattan Beach Education Foundation (MBEF), our Parent Teacher Student Association (PTSA) and the Robinson teachers and staff, our little school by the sea saw many successes:

- Nominated as a National Blue Ribbon School
- 971 Academic Performance Index (API) – Highest in the District
- 10/10 Similar Schools Ranking – Ranked in Top 10% of Schools in the State
- New Sun Shades in all Classrooms and Common Areas
- Continuing Education and Training for Teachers
- New MacBook Pros and iMacs for Teachers and Staff
- iPad Carts in every 5th Grade Classroom
- Refurbished Outdoor Tables for Classrooms
- Upgraded Teacher's Lounge and Copy Room
- PTSA and School Site Council Survey of all Riptide Families and Teachers
- Upgraded Audio Visual System in Café
- Exterior Painting of School Grounds over the Summer

Our longstanding favorite programs and activities, such as Cultural Arts, YAA and Growing Great, also thrived this year. None of this could have been accomplished without the efforts of the entire community and we truly appreciate the part each of you played.

Have a great summer – we'll see you next fall!

Your 2012/2013 PTSA Executive Board
